E.nopi - a unique, supplemental education program where the critical difference is critical thinking. At E.nopi, we cover basic concepts with progressive exercises and repetition until mastery is achieved, BUT we also teach critical thinking. Our students develop analytical and problem solving skills that they will apply to all aspects of learning and life. Low student to teacher ratios, program customization, qualified teachers, and critical thinking make E.nopi the critical choice.

EAST COBBER

NEXT ISSUE: SEPTEMBER • DEADLINE: AUGUST 15
CALL EAST COBBER: 770-640-7070

On August 15, approximately 36,000+ East Cobb children will head back to school. Education is a top priority, a shared value, in East Cobb County. It is our community's strength. The reputation of our public schools' top test scores and quality learning environments draws people to East Cobb. Even if you don't have a child in school we all have a stake in our community's educational system—from our property values to

future leaders to future employees. On pages 6 -16, we pulled together those education stats, school by (East Cobb) school - which provide evidence for East Cobb's great reputation for its schools. While the test scores offer a quick take that helps parents and teachers measure a school's success, it is important to note that beyond the rankings, each school needs to be assessed for other qualities, such as: strong school leadership, parental and community support, creating an environment where students can learn and grow, access to up-to-date textbooks and technology. I have three children attending schools in East Cobb: Lee will be a sophomore at Walton High School; Nikos will be an eighth-grader at Dickerson Middle School; and, Eleni will be joining her brother at Dickerson—so I have a very personal interest in the information presented in our Back to School Guide!

I understand the test scores and school's stated goals are starting points to evaluate a good school for my child/children to attend. But more importantly, I am able to collect on-the-ground intelligence by attending PTA meetings, volunteering in the classroom, and/or bumping into moms at lunchroom visits. Like a lot of moms and dads, I am constantly making sure my son or daughter is in a place where they experience the excitement — and the relevance — of learning, and where the next generation of intelligent, hard-working, disciplined leaders is being nourished.

When deciding to dine out, I hope you'll refer to our 15th Annual Dining Directory (pages 34-47) for inspiration. With every restaurant in East Cobb listed, you'll discover that a special evening or a night out with friends can be enjoyed right around the corner.

Here's to a successful school year and delicious diversions!

On the Cover

As Co-Presidents of the Eastern Cobb County Council (ECCC) of PTAs, Stephanie Daniels and Anita Jones help 35 East Cobb PTAs find ways to improve the academic lives of East Cobb children. Ms. Jones explains their goal as Co-Presidents is, "to see that all children regardless of cultural background, are successful so they can reach their highest potential in, not only school, but in life."

As Co-Presidents, Stephanie and Anita spend countless hours attending and planning meetings, problem-solving for PTA presidents, and participating in workshops.

Anita lives in the Chastain Glenn subdivision with her husband, Lennie, and her 14-year-old son, Colin Hagins, a rising freshman at Sprayberry High School. Stephanie lives in the Creekside Bluff neighborhood with her husband, Richard; and 11-year-old twin boys that are in the 6th grade at Mabry Middle School.

Anita and Stephanie both agree that the best part about East Cobb is the quality of life it offers to families and having the support of parents in the schools, which yield great learners and quality schools.

Cobb County Board of Education

The Cobb County Board of Education consists of seven elected members who appoint a superintendent responsible for the administration of the system. Local, state, and federal funds contribute to a \$841.9 million operating budget. Elected to serve four-year terms, each school board member votes on issues that affect school curriculum and instruction, auxiliary services, personnel and administration. The Board of Education meets twice each month. The first meeting is a work session held the second Wednesday of each month. Work sessions begin at 8:30 a.m. The Board meets again the fourth Thursday of each month to vote on agenda items developed at the work session. The Thursday meetings begin at 7:00 p.m. Each meeting is preceded by a 30-minute public-comment session during which members of the public may address the Board. Sign-up for public comment begins 30 minutes before the public comment session begins.

Cobb Chamber Offers Chance to be a Teacher for a Day

The Cobb Chamber is looking for business and community leaders to participate in the Teacher for a Day program on Tuesday, September 25, for Cobb County Schools and Thursday, September 27, for Marietta City Schools.

This innovative program asks the local business community to take a day away from the office and spend it in a classroom. Teacher for a Day gives business executives a true

picture of public education in action. In one day you'll see first-hand both the strengths and challenges that schools and teachers face.

The Cobb Chamber will place volunteers in Cobb and Marietta City schools to experience a day in the shoes of a teacher. Volunteers will work side-by-side with a Cobb County or Marietta City Teacher of the Year for a full school day. Applications are due Monday, September 10.

For more information or to download an application, visit www.cobbchamber.org or contact Hannah Orr at 770-859-2360 or horr@cobbchamber.org.

Cobb County School District Superintendent: Dr. Hinojosa

▲ Dr. Michael Hinojosa

Last year, Dr. Michael Hinojosa was named superintendent of the Cobb County School District, the nation's 25th largest school district and the second largest in Georgia. Cobb County's school system is among the largest in the United States and the second largest in Georgia. Approximately 107,000 students are

educated in 68 Elementary, 25 Middle and 16 High Schools, plus 2 Special Education Centers, 1 Adult Education Center and 1 ESOL Center. All schools are accredited by the Southern Association of Colleges and Schools.

Dr. Hinojosa's career in public education, from teacher and coach to superintendent of six school systems, spans more than three decades. Dr. Hinojosa holds a doctorate in education from the University of Texas at Austin. His annual salary is \$237,000.

He and his wife Kitty have two sons, one attending Harvard University and another attending Princeton University. He also has a son from a previous marriage who graduated from Texas Tech University. ☺

RIVERSIDE MILITARY ACADEMY

For 105 years Riverside Military Academy has produced young men of purpose, integrity, and character. As one of the preeminent military college preparatory academies in the U.S., we prepare young men for success in the nation's premier colleges, universities, and the five service academies. The class of 2012 earned over \$2 million in scholarships and the 80 graduates were admitted to over 90 colleges and universities including the U.S. Military Academy-West Point and the U.S. Naval Academy.

Riverside is still enrolling cadets for our Fall semester which begins August 23, 2012!

Cobb Fifth Graders Top State on Writing Test

Results from the 2012 Georgia Fifth Grade Writing Assessment show Cobb County students continue to outperform their peers across the state in writing skills. Cobb students' average scale score of 217 is four points higher than the state score of 213; both the local and state averages dropped by a single point from 2011. Eighty-four percent of Cobb students met or exceeded expectations on the assessment, a one percent improvement over 2011.

Across the district, 37 Cobb elementary schools had mean scale scores higher than the state average. Schools with the greatest increase in students meeting or exceeding standards include Russell (+17 percent), Keheley (+16 percent), Compton (+16 percent), King Springs (+13 percent) and Acworth (+11 percent).

Overall, the five schools with the highest scale scores were King Springs (246), Tritt (246), Sope Creek (244), East Side (239), and Timber Ridge (238). Schools with the highest percentage of students meeting or exceeding expectations include Tritt (99 percent), Kennesaw Charter (99 percent), Sope Creek (98 percent), Due West (97 percent), and King Springs (97 percent).

As a part of the statewide testing program, the Fifth Grade Writing Assessment was administered in March and requires students to write a composition on an assigned topic. The assessment provides fifth graders with a measurement of their writing performance. The assessment includes different aspects of writing, or domains, which include Ideas, Organization, Style, and Conventions. Domains are rated on a scale of 1 to 5. Performance of Cobb fifth graders as a whole was similar across all domains, ranging from 2.9 in Conventions to 3.1 in Style. This information can help students, parents, and teachers understand areas where stu-

dents may need to focus their efforts to improve writing skills before taking the Eighth Grade Writing Assessment.

Each student paper is scored by professionals who have been trained to evaluate writing. Evaluators score student compositions on the four domains of effective writing (Ideas, Organization, Style, and Conventions), all of which should be present in a composition regardless of the topic.

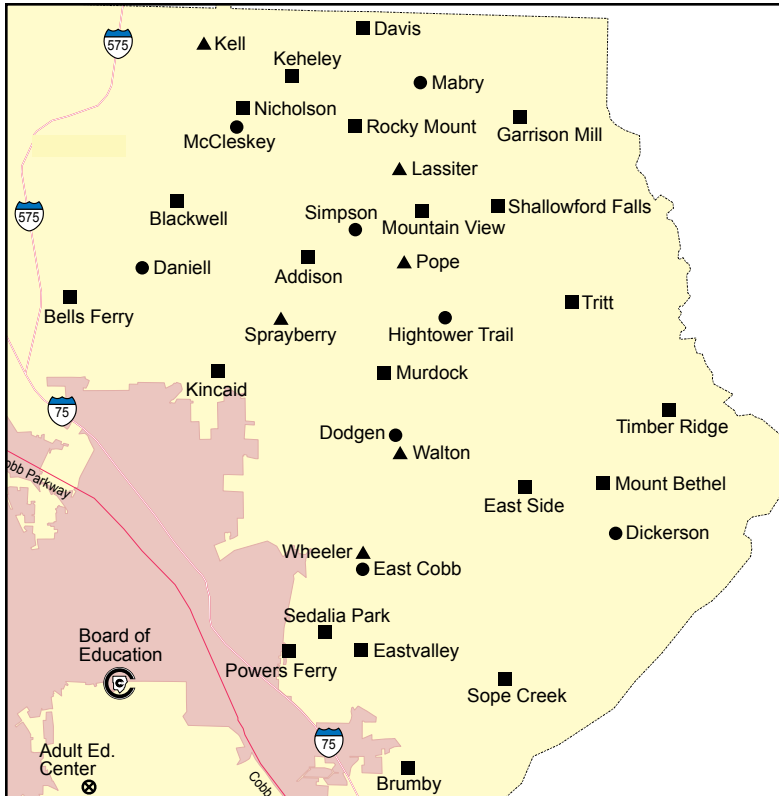

The scale score range for the Grade 5 Writing Assessment is 100 to 350, and scores are reported in the following performance levels: Does Not Meet (100-199), Meets (200-249), and Exceeds (250-350). Summary data for the Fifth Grade Writing Assessment by school may be found on the Cobb School District's website, www.cobbk12.org.

Education Stats: East Cobb Elementary Schools

Every school year, Cobb County students are tested on a variety of state and system-wide assessments. The Iowa Tests of Basic Skills (ITBS) is administered in September to students in grades 3, 5 and 7. Administration of the ITBS allows the district to compare the performance of students to that of other students across the nation who took the same test at the same time of year. According to the results noted below, East Cobb Cobb County elementary school students performed well above the national average on the Iowa Tests of Basic Skills. Education Stats: East Cobb Middle Schools

Every school year, Cobb County students are tested on a variety of state and system-wide assessments. The Iowa Tests of Basic Skills (ITBS) is administered in September to students in grades 3, 5 and 7. Administration of the ITBS allows the district to compare the performance of students to that of other students across the nation who took the same test at the same time of year. According to the results noted below, East Cobb County middle school students performed well above the national average on the Iowa Tests of Basic Skills. For complete results visit www.cobbk12.org. SAT Stats: East Cobb High Schools

The Scholastic Assessment Test (SAT) and the American College Testing (ACT) are offered by The College Board several times during the year. These tests are not required by the state or school system, and are not administered by Cobb schools; however, most colleges and universities use SAT and/or ACT scores in determining student admission. The SAT is used to predict a student's potential for success in the first year of college and is required for admission to most colleges and universities. Most college-bound students take one or both of these tests during either their junior or senior year. The following chart displays SAT scores from the Class of 2011 (the last available scores released from Cobb County School District) attending East Cobb high schools. Board Approves Fiscal Year 2013 Budget

The Cobb County Board of Education approved the \$841.9 million school system budget for Fiscal Year 2013 during a special called meeting Monday, May 21. The Board backed a revised budget recommendation by Superintendent Dr. Michael Hinojosa that includes three furlough days, a 177-day school year and no changes to elementary school media paraprofessional positions. In a separate vote, the Board approved an amended 2012-2013 school year calendar with furlough days placed on Dec. 21, 2012, Feb. 15, 2013, and May 30, 2013.

Faced with a shortfall in excess of \$60 million due to continued decreases in local property tax revenue and state funding cuts, the Board approved the following spending reductions and measures to balance the FY13 budget:

- Increased class sizes by 2 students (on average)
- 350 teaching positions will go unfilled
- Reduced school year from 180 days to 177 days
- 3 furlough days for all employees
- Delayed step increase for eligible employees to mid-year
- Use \$23 million in SPLOST II excess funds to lower the property tax millage rate
- Use \$28.2 million in reserve funds to help offset deficit

The FY2013 budget went into effect July 1. For more details on the school budget, visit the Cobb County School District website at: www.cobbk12.org. ③

Keep Your Vehicle Running Efficient And Increase Gas Mileage With Regular Tune-Up's

A tune-up not only provides preventative maintenance, it also identifies worn out parts. Regular tune-ups will ensure that your car will operate at its optimal condition. Most cars require tune-ups approximately every 30,000 miles; some new cars don't require tune-ups until 100,000 miles. Not performing these basic tasks could result in lower gas mileage or damage to vital engine components.

Increases Vehicle Efficiency

A tune-up enables a car to run much more efficiently. A standard tune-up, which normally includes replacement of spark plugs, adjustment and cleaning of the fuel injection system and service or adjustment of various ignition and fuel system components, brings the main operating systems of a car back to factory specifications. With all of these systems operating at an optimal level, a vehicle performs at its maximum efficiency and functionality.

Reduces Vehicle Exhaust Emissions

A tune-up reduces the amount of emissions from a car during operation. When a car's engine components are maladjusted or not functioning properly, fuel is not burned correctly or adequately, increasing emissions and particulate matter from the car's tailpipe. A standard tune-up will ensure that the main components responsible for proper fuel combustion like ignition timing, filters and spark plugs are replaced or adjusted to work properly.

Increases Vehicle Gas Mileage

A tune-up makes a car more fuel efficient. An improperly tuned car cannot burn fuel properly, creating a detriment not only for the outside air but to the car's fuel economy. A tune-up ensures that the main components supporting maximal fuel economy for a car – ignition timing, spark plugs, filters and oxygen sensors – are replaced or adjusted.

DJ Neezy Entertains East Cobb

If you want to host an event that everyone will talk about the next day, it needs more than music, it needs DJ Neezy Entertainment. Ben Needle is a high school social studies teacher by day and DJ Neezy on nights, weekends and summer days when he provides music and

fun for all types of events. Born in Seattle, Ben grew up in East Cobb and lives here today with his wife and three (soon-to-be four) children.

"I've always loved music," says Ben. "When I attended bar mitzvah celebrations as a preteen, I was always the first one on the dance floor and the last one to leave." Despite a love of singing and four years of choir in high school, Ben recognized that he didn't have the vocal talent to be a singer. His love of music stayed dormant for years, until he began writing raps and R&B jams for his classes.

Ben enjoys sharing his love of music and fun with others, so he started his DJ business two years ago. He considers himself an "entertainment provider" and will perform at any type of event, whether it's a last-minute pool party or a wedding that takes months of planning.

"When I work with an engaged couple, I meet with them multiple times to ensure that their reception is going to be the experience they want," says Ben.

Ben works closely with all his hosts to ensure they get the best experience possible. His services are not cookie-cutter, and he customizes his DJ performance for each party. In addition to weddings, he provides music for birthday parties, karaoke parties, bar/bat mitzvahs, sweet sixteen parties, anniversaries, school dances, corporate events and fundraisers.

Ben enjoys performing at events with adults and children and is always in the middle of the fun. He will judge hula hoop contests, hold the limbo stick and even lead a conga line.

For more information about DJ Neezy Entertainment, visit his DJ Neezy Entertainment by Ben Needle facebook page or www.djneezy.com. You can also contact him at info@djneezy.com or 678-520-0194.

St. Ann's Sends 30 Student Missionaries to Tampa

In June, St. Ann's sent a team of thirty middle school students from neighboring East Cobb schools to the Catholic HEART Work Camp in Tampa. Giving up a week of their summer, the missionaries worked at 3 different locations in an effort to revitalize the community and beautify homes for the elderly, disabled and neglected. "The experience was life changing," said Timmy Riordan, a student at The Walker School who participated in the mission trip. "I realized that they are just like you and me and with a little help, we can make a difference in their life."

At the Pinellas Hope Homeless Shelter located in Clearwater, a temporary emergency shelter for 250 homeless men and women whose goal is to position the residents toward self-sufficiency, the student missionaries painted, landscaped and cleaned the living areas. In addition, they rebuilt stables for a horse rescue facility and renovated a private residence.

Overall, CHWC will host 47 camps around the country with over 13,000 teens in attendance throughout the year. St. Ann's EDGE program, middle school youth ministry, spearheaded by Jackie Kmet, Jim Herrel and Fr. John Gabriel, will send another group to the camp in Charleston, along with sending a group of teens to Project Fiat in El Salvador. "We are very proud of our youth and their faithful service to others," said Fr. Tom Reilly, pastor of St. Ann's Catholic Church.

# Local Consignment Sales Recycle by Reselling

Are you a bargain hunter when it comes to your kids' wardrobe or toys? Consignment sales offer everything from strollers, bouncy seats, cribs, any kind of toy you can think of, to diaper bags, bedding, infants' and kids' clothes, and maternity clothes. You can also find winter coats, boots, and Halloween costumes. Shoppers can find a wide variety of children's items that are usually screened for quality, all under one roof. You don't have to drive around town to different garage sales where it's a hit-or-miss on what items you might find and in what shape, as the local consignment sales have quality standards. We've scouted and scoured our sources to provide EAST COBBER readers a list of local consignment sales.

# Nibble and Noshfest To Be Held Labor Day Weekend

For the third year, Nibble and Noshfest entices the community with food and entertainment over Labor Day weekend: Sunday, September 2: 11am to 7pm and Monday, September 3: 11am to 4pm. The festival takes place in the parking lot of Temple Kol Emeth, 1415 Old Canton Road in Marietta/East Cobb.

Nibble and Noshfest (Noshfest, for short) is a two-day festival that provides visitors with a taste of Jewish and other ethnic and traditional foods sold in "sample-size" portions, priced from \$1 to \$4 – in other words, the premier version of "Taste of . . ." event over Labor Day Weekend!

In addition to the food, there will be a range of entertainment from music to live interactive demonstrations. Scores of artists and craftspeople will be selling their wares in this lively setting. Many Cobb and Atlanta community

organizations will be present to provide insight to life in our fabulous city. Tours of the culture-rich Temple Kol Emeth's sanctuary will be available to all patrons by historians of the congregation and clergy. Children will be wowed by huge jump castles and other great activities.

The festival will be once again taking part in the HAVE A NOSH, SHARE A NOSH program. Visitors are encouraged to bring 2 non-perishable food items that will be donated to MUST MINISTRIES to fight hunger.

And for a great evening, plan on a "nosh and a show." Enjoy dinner at Noshfest on Sunday and then attend Comedy Night at Noshfest at 7pm.

It's a wonderful event to complement the traditional BBQ's of Labor Day weekend. For more information about Nibble and Noshfest, visit [www.noshfest.com](http://www.noshfest.com).

## Then...

Here....again. This might be a good time to tell Mom that she's not required by law to cook every single meal.

There MUST be an easier way to put food on the table..

What's that Rose? Fresh food AND wine? To go? I'm totally gonna Get Baked

Trust me... Get Baked. Everybody is happier and more relaxed.

...anything but typical...

Red Sky Favorite:  
Lobster and Roasted Corn Dip

Tapas are typically small plates. With bold dishes that are big on flavor (often plenty to share), and martinis big enough to make others quiver in comparison, we are BIG on being anything but typical.

## Mother of the Bride/ Groom Wedding Preparation Guide

by Corinne Erickson

Wedding season is upon us, and it's not only the brides who are in preparation mode. The Mothers of the Brides (M.O.B.'s) and Mothers of the Grooms (M.O.G.'s) are also getting ready to be in the spotlight.

After all, their roles extend far beyond providing around the clock emotional support to their soon-to-be-wedded children, or writing check after check to vendors. This is the M.O.B.'s and M.O.G.'s time to see close family and friends, and often meet an entire new family to whom they are now related, till death do you part!

This places the M.O.B.'s and G's under a certain amount of pressure, and rightfully so. They come into the dermatologist's office a few months or weeks before the wedding and all want the same thing: to look bright and refreshed, and sometimes a few years younger, for the upcoming nuptials. Of all of the requests that come up in weddings, helping the Moms prepare themselves is one of the most rewarding.

I have had the extreme pleasure of helping my mother prepare for two weddings. The first was that of my youngest sister, and the second is my own. In preparing her for these two events, I developed a top five treatment list for the MOB/MOG that addresses her particular concerns, and prepares her for the big day.

### 1. Botox and Dysport

We can't talk the bride out of her ice sculpture shaped like her childhood pony, or the groom out of his bachelor party running with the bulls in Spain, but we can erase the lines that these ideas have put on your forehead. Botox and Dysport work wonders on those pesky lines between the eyebrows, like the ones that deepened when the caterer told you the price per head for a seated dinner. Instead of trying to strangle the caterer with your eyebrows, take a deep breath, and consider relaxing the grimacing muscles before the wedding. This is also effective for the forehead lines, like the ones that sprang up when your daughter requested rap music for her processional. We can't control the creativity, but we can help with the collateral damage. Read the rest of the blog at our website ...

Make a New Resolution to Improve Your Oral Health

▲ Dr. Ruth Clemans is pictured in front of her office

It's no secret that oral health is crucial to total health, but all too often visits to the dentist are avoided due to fear of pain or discomfort. East Cobb dentist Dr. Ruth Clemans and her team at Elite Dentistry are putting those fears to rest, one East Cobb at a time.

Dr. Clemans has practiced dentistry in the East Cobb area for 17 years and treated thousands of local residents. She has an intimate understanding of the anxiety many people experience before and during dental procedures and is proud to offer IV sedation to adults. In IV sedation, the patient is put into a "twilight" state and the necessary work is performed painlessly. Elite Dentistry is one of the few general dentists in the area to offer IV sedation.

Elite Dentistry is a full service practice offering all realms of oral procedures including general dentistry, placing and restoring implants, oral surgery procedures, extractions and all cosmetic procedures. All work is performed in the privacy of the comfortably appointed, high tech office.

Dr. Clemans is a Certified Sedation Dentist and a fellow of the Dental Organization of Conscious Sedation. She is a member of a number of professional organizations including the American Academy of Cosmetic Dentistry and the Georgia Dental Association.

A strong believer in supporting the community, Dr. Clemans is often found on the sidelines of local football games and giving back to local fine arts programs. The animal loving staff also works with Our Pals Place dog rescue organization.

Elite Dentistry treats patients ages three to adult in a family-friendly environment. For more information or to schedule an appointment, call 770-587-5655 or visit www.attractivemiles.com. Elite Dentistry is located at 3052 Shallowford Road Suite 100 in East Cobb.

WHAT FAMOUS EAST COBBER BELONGS TO THIS SMILE?

BEFORE

AFTER

In March of this year, my "midlife crisis" was in full swing with the youngest of my four children preparing to graduate from high school and beginning to grapple with the fact that I will be turning the big "50" this September! However, my life and outlook changed the day I sat down and talked with Dr. Dina Giesler. Our daughters have ridden horses together for years, but it wasn't until I brought up my "crisis" to Dr. Giesler that fate stepped in and many of my problems became on their way to being solved. Assisting me with my personal "fit for fifty" challenge, she suggested several healthy supplements and invited me to her office to see what she could do with the cracked, stained and not-so-smile worthy 27 year old bonding that was on 16 of my teeth. Two incredibly easy and painless visits later to Atlanta Smiles, I look and feel like a new woman!!! The inviting staff treated me as if I were a part of their family from day one as they were excited for me and my new look. My smile finally reflects the way I feel...young, healthy, alive and HAPPY! Thank you Dr. Giesler and all my friends at Atlanta Smiles – I couldn't be happier!!!

Pilates For Life Offers One-On-One Expertise

▲ Pilates For Life Owner,
Cynthia Soch

As a certified Pilates specialist with over 10 years of experience as a licensed Pilates instructor, Cynthia Schoch strives to improve the overall health of each one of her clients, no matter their age or skill level. Cynthia has run Pilates For Life out of her East Cobb home studio for the past six and a half years, and specializes in helping people to unite mind and body to work together toward the goal of overall fitness through the discipline of Pilates.

"It's a holistic balance," Cynthia says. "You need to be mentally engaged. The goal is to create efficacy in the movement of muscle control. By creating strength and flexibility starting everything from a strong center, you create long muscle tone and enhance great posture and skeletal alignment."

Pilates was developed in the 1920s and quickly became popular in the dance community. The discipline is designed to strengthen the core and improve coordination and balance, using a variety of exercises on a mat and on apparatuses. A professional ballet dancer for 24 years, including as principal of the Minnesota Dance Theatre and soloist at The Berliner Opera Ballet in Germany, Cynthia practiced Pilates throughout her career. But you don't have to be a high-level athlete to benefit from the programs that Pilates For Life offers. Cynthia's current clientele spans from ages 14 to 85, and includes Pilates patrons as well as those just trying to diminish chronic pain.

"It can also be approached therapeutically," Cynthia says. "Someone with lower-back pain, shoulder pain, or a knee injury, for example, can benefit from Pilates. As you work through the system, it exposes weakness and imbalance and then will help you recreate the balance to your optimum wellbeing."

Cynthia focuses on one-on-one attention instead of working out a number of people at once, which allows her to tailor programs to individuals. Whether it's a single one-hour session or a full program, her goal is to enhance wellbeing.

"I started my studio because I wanted to help people feel good," Cynthia says. "A lot of people who come to me don't have as many physical ailments because I try to share my knowledge base to empower and improve their own knowledge and self-awareness. I love what I do!"

For more information on Pilates For Life, contact Cynthia at 678-372-5629 or ccschoch7@gmail.com.

East Cobb Senior Center Activities Scheduled for August

All Cobb residents age 55+ are invited to participate in activities at various senior centers throughout Cobb. The following is a listing of activities scheduled at the East Cobb Senior Center located at 3332 Sandy Plains Road, Marietta 30066. Call the East Cobb Senior Center at 770-509-4900 for reservations and/or more details.

Blood Pressure Screening

August 2, 7, 21 10am – 12pm

Welcome to Our Garden – 17th Anniversary Party and Concert

Friday August 3 10:30am – 1:30pm. Doors open at 10:15am.

Cost: \$12 Cobb resident, \$15 non-resident. Two tickets per person.

Join us in the "Garden" for East Cobb Senior Center's 17th anniversary party and concert and make sure to wear your prettiest garden party hat. Our party and musical celebration begins with a chorus of songs from *Guys and Dolls*. After a lunch catered by Café 33 and Cooley's Cupcakery the concert begins. Nestled in the gazebo will be a Woodwind Quartet courtesy of the Atlanta Symphony Orchestra! At the conclusion of this concert there will be a prize for the most marvelous hat (think William and Kate's wedding) and door prizes! This year's festivities are sponsored by Sterling Estates Senior Living, Cobb In Home Care, HM Patterson and Son.

The History Corner (Series of 3):

1-Monday, August 6: Ancient Greece 10am – 12pm

Free. Registration required.

Come explore the birthplace of Western civilization and extraordinary legends to discover how the ancient Greeks used imagination, inventiveness, courage and conviction to lead architecture into the modern world. We will learn about the Palace at Knossos and the Minotaur, the Theatre of Epidaurus, the Colossus of Rhodes, the Lost City of Atlantis and the Parthenon.

2-Monday, August 20: Seven Wonders of the Ancient World 10am – 12pm

From the world's largest pyramid to the very first skyscraper, the seven wonders of the ancient world continue to inspire awe in everyone. Come learn about the Pyramid of Giza, the Hanging Gardens of Babylon, the Temple of Artemis at Ephesus, the Pharos of Alexandria and the Statue of Zeus at Olympia.

3-Wednesday, August 22: How the States Got their Shapes 10am – 12pm

Every line of the U.S. map tells a story. Every border reflects our history, our struggle for independence, our internal conflicts over states' rights and slavery, our westward expansions and the mastery of our natural resources. We are so familiar with the map of the United States but do we know why our states look the way they do? Each shape on the map tells a great story about our past. Come learn why California is bent, Oklahoma has a panhandle, one town is half in the U.S. and half in Canada, Missouri has a boot and so much more.

Ice Cream and a Movie: *Hello Dolly*

Monday, August 13 1 – 4pm

Cost: \$4 Cobb resident, \$5 non-resident.

Registration required. Limited seating.

Join us for one of the most musically entertaining, hilariously underhand plots in film history as we watch Dolly try to win the heart of Horace Vandergelder. Hello Dolly stars Barbra Streisand, Walter Matthau, and Michael Crawford, years before he became known as "The Phantom". Join us for fun, music, dancing, ice cream and popcorn, the perfect way to spend a hot August day!

Tour of 911 Headquarters

Tuesday, August 21 11am – 12pm

Free. Registration required.

Get an inside look at Cobb County's 911 Headquarters. We'll get a guided tour of this state of the art facility and learn more about what happens behind the scenes when you place a call to 911. We will meet at 911 Headquarters.

Cobb Senior Centers Offer Computer Classes for Seniors

Today's seniors, for the most part, missed taking part in the explosion of home computer use which began in the early 1980s. But determined not to be left out, they are coming forward in large numbers to get on board with this new technology. Seniors are estimated to be the fastest growing Internet user group in the country, and with that comes the need for introductory and advanced level computer training. Beyond the Internet, seniors are learning to use computers for information and image processing, as well as games, home finances, and many other areas of interest for which computers can be applied.

In an effort to help train and educate our seniors, Cobb County Senior Centers have established computers and computer training at all five Senior Centers across the county:

- Poole Center (South Cobb)
- East Cobb
- North Cobb
- West Cobb

Called "Computers4Seniors", Cobb senior residents are offered a variety of courses which were designed specifically for seniors. Class size is limited to six, and each senior has use of a computer during hands-on exercises in class. Classes are taught by volunteers who have extensive experience in using computers. Each course is accompanied by an illustrated training guide which reinforces what is taught in each training session. Often these guides walk students, step by step, through the actions introduced and performed in class. In addition to the instructor, whenever possible, an assisting coach will be present in the classroom to help answer questions, and assist students during hands-on exercises.

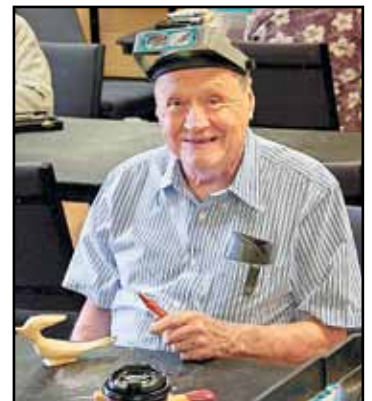

The Computers4Seniors program is offered in the Fall, Winter and Spring terms. Class registration for the fall term begins in late August. For more information, visit computers4seniors.org.

Enrichment of Life Movement Fall Class Registration

ELM (Enrichment of Life Movement) is a large independent non-profit, non-denominational learning organization for those 50 or older. They have met for 28 consecutive years in the First United Methodist Church building in Marietta on a quarterly basis. They meet on Tuesday of each week for eight weeks and offer an interesting variety of 45/66 courses, with up to three classes for a fee of \$40.

Fall registration opened July 12th and continues through August 18, 2012, without a late fee. Classes begin September 11th and are open to residents of Cobb and surrounding counties alike. Application booklets are available at Cobb Senior Centers, Cobb County Libraries, and at some churches and senior living complexes. Online availability is at: www.elmcobb.org, registration questions or help, email elmcobb@gmail.com.
