PUBLISHER'S NOTE

On August 1, approximately 36,000+ East Cobb children will head back to school. Education is a top priority in East Cobb County. This shared value is our community's strength. The reputation of our public schools' top test scores and quality learning environments draws people to East Cobb. Even if you don't have a child in school we all have a stake in our community's educational system—from our property values to future leaders to future employees. On pages 7 -17, we pulled together those education stats, school by (East

Cobb) school- which provides evidence for East Cobb's great reputation for its schools. While the test scores offer a quick take that helps parents and teachers measure a school's success, it is important to note that beyond the rankings, each school needs to be assessed for other qualities, such as: strong school leadership, parental and community support, creating an environment where students can learn and grow, access to up-to-date textbooks and technology.

I have pulled this "Back To School" info together for the past 10+ years out of my own self-interest, since I have had three children attend Cobb County public schools. But alas, all good things must come to an end. This school year will be a poignant one for me since my baby girl, Eleni, my youngest will be a senior at Walton High School. It will be my final year as a mom of a Cobb County student. As I write this publisher's note, there is a gripping realization that this is Eleni's last first day of school, her last birthday at home, the last finals and Senior Night. When my youngest child begins the countdown it is not that I won't go through this again with her, I won't go through this again with anyone. My youngest child watched me miss her brothers, she watched me adapt to their departure with pride and tears. Just as her oldest brother's arrival did decades earlier, her departure will once again change everything. It is our youngest child who has stood between us (my husband and I) and our empty nest. She will move on and so will I.

Here's to a successful school year!

Bring it OM Power Yoga Opens Soon

From left: Owner: Karen Patton, Marketing Manager: Dani Helgeson, Studio Manager: Charina Shields, Yoga Instructor: Tori Kerr

East Cobb residents looking for yoga classes with work-friendly hours and an upbeat environment now have a new option: Bring It OM Power Yoga, coming soon to the corner of Johnson Ferry and Shallowford Roads.

Owner Karen Patton is a self-proclaimed “California Girl”, having lived most of her life in Los Angeles before moving to East Cobb in 2012 with her daughters Frankie, 15, and Sasha, 13. “I was surprised at what a friendly and supportive community this is,” says Karen, telling how she found a heap of welcome baskets on her front porch shortly after arriving in her new neighborhood. “I wanted to give little gift baskets to the neighbors introducing myself, but they beat me to it!” Karen claims that East Cobb residents are the nicest people she has ever met, and for that reason she chose to remain here after her recent divorce.

A longtime yoga devotee, Karen found herself turning to the practice for spiritual healing during that difficult period. In the process, it became clear that she had something to offer to the community she had grown to love. “I want to make the benefits of yoga accessible to everyone,” she explains. She is quick to assure that no one should feel intimidated, no matter what their level: “There is no judgment, I just want my clients to have fun and have a good workout,” she says.

With a background in wholesale and retail apparel - she worked for Tommy Hilfinger, The Gap, and Banana Republic in LA - Karen has the business know-how to complement her passion for the art of yoga. She has assembled a staff of thirteen instructors to teach a variety of classes ranging from more structured methods such as kundalini and restorative, to heated and non-heated sessions with fun names like Hot

Southern Sundays and Happy Power Hour. There will be offerings for kids and teens, monthly theme nights like Beers & Bros, to appeal to the male clientele, and Vodka Vinyasa for the ladies. Karen’s mission, above all, is to manage a happy staff, which will result in positive vibes and an enjoyable experience that keeps clients coming back.

Karen also intends to keep her clients happy with extended hours to accommodate busy schedules – you can easily fit in a class before or after work. Two full bathrooms with showers are provided in the 1500 square foot studio that has room for up to forty yoga mats as well as a retail space selling yoga products, clothing, trendy accessories and gifts.

A grand opening scheduled for the weekend of August 25 will include food and drinks, free introductory classes, giveaways, and membership discounts. The studio is located in the Shallowford Falls shopping center at 3162 Johnson Ferry Road in Marietta/East Cobb. Bring it OM Power Yoga will be open: Monday-Thursday: 5:45am-8:45pm; Friday: 5:45am-6:30pm; Saturday: 8am-4pm; Sunday: 8:30am-6:30pm. For more information, visit www.bringitompoweryoga.com.

COBB COUNTY SCHOOL BOARD APPROVES 2019 BUDGET

Prioritizing both teachers and students, the Cobb County Board of Education approved the \$1.036 million school district budget for the 2018-2019 school year (FY2019). The budget includes a 1.1 percent raise for all permanent employees and a one-time 1.1 percent bonus for teachers. The FY2019 budget reflects the values of the Cobb County Board and Superintendent and continues to prioritize teachers and students in providing world-class facilities, cutting-edge technology, trend-setting student safety measures, and competitive salaries.

"Under the leadership of this Board, a teacher who entered Cobb County School District (CCSD) during the 2014-2015 school year has seen a 20.5 percent salary increase. That's more than \$8,000 over the last three years in addition to two, one-time bonuses, which added another 2.2 percent," said Superintendent Chris Ragsdale.

FY2019 Budget Highlights:

- > 1.1 percent salary increase for all permanent employees
- > 1.1 percent bonus for non 238-day employees (teachers, hourly employees, bus drivers, counselors, media specialists, etc.)
- > Decrease in workdays for 238-day employees from 238 days to 236 days (administrators, principals, other annual employees, etc.) with no decrease in pay
- > Full salary schedule step for eligible employees

- > The proposal contains no millage tax increase and holds the millage rate at 18.9 mills: Loss of \$144 million dollars in local revenue to the state in the form of fair-share

Cobb County School Board Member Scott Sweeney noted, "Under the leadership of Superintendent Ragsdale, the Cobb County School District is one of the only districts in the country which is both debt-free and has a AAA credit rating. State revenue continues to lag behind explosive student growth across the county, which is best seen in \$144,000,000 in lost revenue to the state through the state of Georgia's fair-share provision."

The Cobb County School District is the second largest school system in Georgia and the 23rd largest in the nation. It serves 112,000 students and 112 schools, including 67 elementary schools, 25 middle schools, 16 high schools, one charter school, one special education center, one adult education center and one performance learning center. ☎

COBB CHAMBER OFFERS CHANCE TO BE PRINCIPAL FOR A DAY

The Cobb County Chamber of Commerce invites you to participate in a unique, behind-the-scenes experience as a Principal for a Day to better understand one of Cobb County's strongest assets: our public education system.

As a Principal for a Day, you will have the chance to meet one-on-one with one of Cobb County or Marietta City's outstanding principals to gain firsthand knowledge of the challenges and strengths local schools face on a daily basis. Participants will shadow a local principal, meet with the faculty, and spend time in the classroom with students. This special opportunity will provide a greater understanding of the educational process in Cobb County.

"We believe this program is a rewarding experience for business professionals, Cobb's educators and students and builds important partnerships between schools and businesses," says Katie Guice, Senior Manager of Programs and Events for the Cobb Chamber of Commerce.

Principal for a Day is scheduled for Oct. 1-5 in both Cobb County and Marietta City Schools. The principal and participant will connect at the beginning of the week and select the date that would be best for them. The program requires the commitment of a half workday.

An application for this program can be found on the Chamber's website: www.cobbchamber.org. Applications are due on Aug. 31 for teachers and participants.

For information about becoming a Principal for a Day, contact Ashley Ward at award@cobbchamber.org or 770-859-2346.

BACK TO SCHOOL DENTAL TIPS

As another summer ends and a new school year approaches, many of us parents begin the task of preparing our children for their first day back to school. We shop for the necessary school supplies, we update their wardrobes, and we ensure they have the immunizations and booster shots necessary to continue in school. Children should also have a dental exam before returning to school to ensure they have a healthy mouth and the tools they need to maintain it.

According to the Centers for Disease Control and Prevention, tooth decay affects U.S. children more than any other chronic infectious disease. It is estimated that 19 percent of children between the ages of 2 and 19 have untreated tooth decay. Tooth decay can lead to dental pain, which can impair a child's ability to eat, speak, play, and learn at school. In fact, it has been estimated that today's children miss over 51 million school hours due to dental issues. Here are some back-to-school dental tips to help prevent tooth decay and dental issues:

ENCOURAGE GOOD ORAL HYGIENE.

It is important to encourage children of all ages to brush their teeth twice a day and floss daily. Younger children may need you to help them brush and floss and check to make sure they have thoroughly cleaned their teeth as many of them miss the back teeth and the gumline areas. For older children and teenagers, you can lead by example by practicing good oral hygiene yourself.

SCHEDULE REGULAR DENTAL EXAMS.

It is recommended that most children see the dentist at least every six months for a dental examination, x-rays (as needed), and a cleaning. These visits not only keep children's teeth free of tartar and plaque build-up, but also allow the dentist to diagnose and treat any small dental concerns before they become more severe.

CONSIDER A MOUTH GUARD.

For children that play contact sports, such as football, basketball, lacrosse, or wrestling, a mouth guard can help protect their teeth, lips, and jaw

from injury. A custom mouth guard designed by a dentist specifically to fit your child's teeth is much more protective than a store bought one.

HEALTHY EATING.

If your child brings their lunch, consider including healthier lunch items and snacks such as grains, milk, cheese, raw vegetables, yogurt, or fruit, instead of sugary foods or soft drinks. If your child eats in the school cafeteria, review healthy, balanced food choices with them before the first day of school.

We hope these tips will allow everyone in your family have the beautiful, healthy smile they deserve for back-to-school and help them maintain it throughout the school year and beyond.

COBB COUNTY BOARD OF EDUCATION

The Cobb County Board of Education consists of seven elected members who appoint a superintendent responsible for the administration of the system. Elected to serve four-year terms, each school board member votes on issues that affect school curriculum and instruction, auxiliary services, personnel and administration. The Board of Education meets twice each month. The first meeting is a work session held the second Wednesday of each month at 8:30am. The Board meets again the fourth Thursday of each month to vote on agenda items developed at the work session. The Thursday meetings begin at 7pm.

EDUCATION STATS: EAST COBB ELEMENTARY SCHOOLS

Every school year, Cobb County students are tested on a variety of state and system-wide assessments. The Iowa Tests of Basic Skills (ITBS) are administered in September to students in grades 3, 5 and 7. Administration of the ITBS allows the district to compare the performance of students to that of other students across the nation who took the same test at the same time of year. According to the 2018 test results noted below, most East Cobb County elementary school students performed well above the national average on the Iowa Tests of Basic Skills. For complete results visit www.cobbk12.org.

EDUCATION STATS: EAST COBB MIDDLE SCHOOLS

Every school year, Cobb County students are tested on a variety of state and system-wide assessments. The Iowa Tests of Basic Skills (ITBS) are administered in September to students in grades 3, 5 and 7. Administration of the ITBS allows the district to compare the performance of students to that of other students across the nation who took the same test at the same time of year. According to the results noted below, most East Cobb County middle school students performed well above the national average on the Iowa Tests of Basic Skills. For complete results visit www.cobbk12.org.

SAT STATS: EAST COBB HIGH SCHOOLS

The Scholastic Assessment Test (SAT) and the American College Testing (ACT) are offered by The College Board several times during the year. These tests are not required by the state or school system, and are not administered by Cobb schools; however, most colleges and universities use SAT and/or ACT scores in determining student admission. The SAT is used to predict a student's potential for success in the first year of college and is required for admission to most colleges and universities. Most college-bound students take one or both of these tests during either their junior or senior year. The following chart displays SAT scores from the Class of 2017 (the last available scores released from Cobb County School District) attending East Cobb high schools. THE GARDEN SCHOOL PROVIDES NATURE-BASED EDUCATION TO STUDENTS

If you're looking for an alternative to traditional classrooms, The Garden School might be the choice for your child. The Garden School incorporates 15 acres of woods, wetlands and gardens into its nature-immersive

instruction. The Waldorf-inspired school emphasizes the role of imagination in learning and offers a curriculum that cultivates each child's innate academic, artistic, practical and social capacities. Because of small class sizes and a 10:1 teacher to student ratio, the teachers are able to provide highly personalized instruction to each student.

The Garden School is for children ages 3 through 8th grade and includes an accredited elementary school and a two-day option for homeschoolers. In addition to indoor space, the school has six outdoor learning classrooms, and students spend half of their school day outside. All children in grades Kindergarten and up take a language. By the time they have completed 8th grade, students are proficient in three languages: Spanish, Mandarin and a third language of their choice.

The school is a low media community and asks that students refrain from screen time, including video games, tablets, smart phones and television, during the school week. "We feel that children need to discover who they are without the influence of outside media at a young age," shares Garden School founder Jas Darland. "They are only young once, and we want them to fully embrace their childhood." Jas is an alumna of the Austin Waldorf School and holds a Master's Degree from Johns Hopkins University.

Located at 4010 Canton Road in Marietta, the setting also includes a learning farm where miniature donkeys and goats live. "Our students are constantly learning in this type of environment. They get to interact with the animals and watch veterinarians perform regular medical care," says Jas.

To learn more about the Garden School and how it can benefit your child, visit gardenmarietta.org or call 770-765-2036. Due to indexed tuition, the school includes families of diverse backgrounds and means.

LOCAL PTAS OFFER PROGRAMS THAT ENRICH CHILDREN'S EDUCATION

By Kimberly Webb, President, East Cobb County Council of PTAs

"Giving every child a chance to reach their full potential is the best work anyone can do."

~Hillary Clinton

The PTA's mission is "to make every child's potential a reality by engaging and empowering families and communities to advocate for all children." Back to school time is full of potential and possibilities. Your child will encounter new teachers and new friends. For some families, back to school means new schools – whether your family is new to the area, your child is just starting school or your family has students transitioning from elementary to middle school or middle school to high school. The beginning of the school year is a blank slate waiting to be filled with your student's potential.

How does PTA make every child's potential a reality? Your school's PTA/PTSA offers many programs that bring additional value to your children's education. Your student can explore his or her creative side by participating in National PTA's Reflections program – a contest that encourages exploration of the arts in the areas of dance choreography, film production, literature, music composition, photography and visual arts. ECCC PTA hosts an essay contest each year called "Honoring our Heroes" in which students are encouraged to write about their everyday heroes. Your school's PTA/PTSA also hosts many opportunities to enhance your child's classroom education – All Pro Dads, STEM night, International Festivals and Book Fairs are just a few programs that can be regularly found in many of our East Cobb schools.

Joining your local PTA/PTSA gives you the opportunity to participate in a variety of educational programming, communication tools, family fun activities and events to thank our teachers and

school staff. Additionally, your local school's PTA/PTSA is part of a much bigger organization than just the group of parents at your school. The East Cobb County Council is a group of PTAs and PTSAs from 35 schools in East Cobb – we represent the PTAs at Kell, Lassiter, Pope, Sprayberry, Walton and Wheeler High Schools and all of their feeder elementary and middle schools. By working together we can do so much more for our schools and our children.

PTA also advocates for all children through legislative efforts. One of PTA's primary responsibilities is to inform our parents of legislative issues affecting public education. During this election year, remember to vote so that your voice can be heard. Research the candidates' stances on public education and be an informed voter. Check out our website (www.ecccpta.org) for information about upcoming candidate forums and other legislative issues affecting our students and our schools.

PTA also works to make every child's potential a reality by collaborating with community businesses to support our teachers, administrators, our families and our students. We're thankful for our Partners in Education and other community businesses that invest time and energy into our schools to help our students reach their potential as future employees in our workforce.

As your family enters the new school year full of unleashed potential and possibility, I encourage you to become a member of your local PTA/PTSA and join us in making every child's potential a reality. 📞

Kimberly Webb is serving her second year as the President of the East Cobb County Council of PTAs. She and her husband Trey have three children and live in Mallard Lake Subdivision.

GOOD MEWS OFFERS VACCINATION & MICROCHIP CLINIC

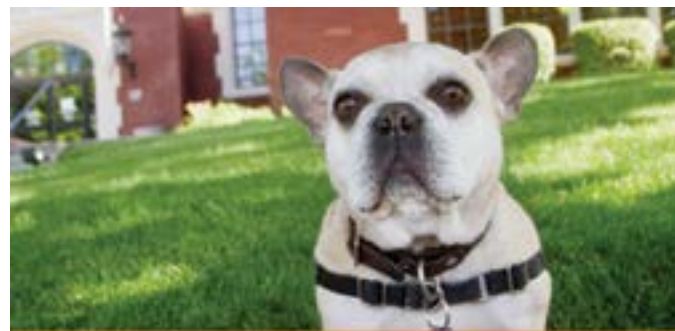

Mark your calendar for Sunday, August 5! The Good Mews Vaccination & Microchip Clinic will offer low-cost individual and package vaccinations starting at \$15, microchipping for only \$25, and nail trims for \$10.

Vaccinating your four-legged loved ones keeps them from contracting preventable, life-threatening diseases. And, microchipped pets are MUCH more likely to be reunited with their human companions if they get lost. There is still plenty of time to make an appointment! Just give Good Mews a call at 678-520-4735.

The clinic will take place from 10am to 3pm. Walk-ins welcome; appointments strongly encouraged. All pets must be leashed or in a carrier. Good Mews reserves the right to refuse any animal based on temperament. Accepted payment methods: cash or credit card. Don't forget, all proceeds benefit the cats and kittens of Good Mews.

Founded in 1988, Good Mews offers an alternative to traditional animal shelters in the Metro-Atlanta area by providing a no-kill, cage-free, limited admission haven for homeless, abused, or abandoned cats until placing them in permanent, loving homes. Good Mews promotes public awareness regarding the value of pets, animal welfare, pet overpopulation, and quality human-animal companionship through education and outreach programs.

Good Mews Animal Foundation is located at 3805 Robinson Road in Marietta/East Cobb. For more information about this nonprofit, visit goodmews.org. 

Atlanta just got a little more awesome.

Come meet your lovable new neighbors!

HOYLE'S KITCHEN + BAR TREATS GUESTS LIKE FAMILY

"What's the name of that new restaurant that has the games both inside and outside, is good for families and is a great place to watch sports or just unwind and relax?" It's a common question among East Cobb residents right now, and the answer is always "Hoyle's Kitchen + Bar." Hoyle's is creating a local buzz because its focus is providing its guests delicious made-in-house recipes in a unique atmosphere distinctive to Hoyle's. Although it has more than 20 televisions showing your favorite teams, it also provides mealtime entertainment in the form of a bocce ball court, pool tables, a mini putting green and a designated Game Room. The restaurant even provides board games for families to enjoy while waiting for their food.

The food is delicious too! The pioneers of the "Sports Kitchen," Hoyle's culinary creations include house-made Loaded Tots, Smoked Chicken Quesadillas and a delightful fresh Spinach Salad. Hoyle's menu, which puts unique, flavorful twists on traditional favorites, also features a wonderful Brisket Dip, house-smoked Pulled Pork and Brisket Plates, Soy-Glazed Salmon and their already famous Hoyle's Burger. Their two full contemporary bars offer specialty cocktails, like the Hoyle's Manhattan, a wide selection of refreshing local craft beers and a super-friendly staff.

Family operators, Joe and Sam Ivey, opened Hoyle's because they wanted their guests to have a good time with unexpected fun throughout their restaurant. The Ivey family named the restaurant after family patriarch George Hoyle Ivey, Jr., who was a pioneer ahead of his time. He started out as a farmer in the 1940s who owned a series of farm-to-customer stores called "Milk Jugs." At one time, he built one of the first modern grocery stores in metro Atlanta, an A&P, which used to be on the same ground that Hoyle's sits today. It was the farm that invoked Hoyle's passion, and he loved to host parties with family members and members of the local community. "Our grandfather used to enjoy inviting friends and family to share fresh food from his farm, so we knew we had to name the restaurant after him," said Joe Ivey. "He would have loved that we opened this restaurant to provide people good food, good friends and good times." Families are important to Hoyle's, which means that every Monday from 5-8pm, they host a Kids' Night, where kids eat free and enjoy face painting, balloon making, games and prizes.

The fun is not just for kids. Hoyle's hosts trivia nights every Tuesday starting at 7pm and "Rock N Roll Bingo" every Thursday at 7pm. Just like Hoyle himself, family operators, Joe and Sam Ivey have carried on their grandfather's legacy of community involvement and strong ties with organizations in the Marietta and Metro Atlanta Area. Hoyle's has partnered with Dobbins Air Force Base and many local schools and organizations and is a proud partner of both Atlanta United and the Atlanta Falcons, as they are "Bar Partners" for Game-Day Viewing Parties with both teams.

"We are proud to carry on our grandfather's legacy with our strong ties to the community," said Ivey. From our Spirit Nights with local elementary schools and our partnerships with Atlanta United and the Falcons, we are committed to establishing deep ties with area organizations, while always making sure we provide our guests with a unique one-of-a-kind experience that always ensures good times."

You can check out their menu at hoyleskitchenandbar.com or stop by and visit Hoyle's at 1440 Roswell Road in Marietta. They are open every day for lunch, dinner and late night.

Hoyle's grandson Joe Ivey and his family.

CELEBRATE JEWISH FOOD AND CULTURE AT NOSHFEST

Temple Kol Emeth has announced it will host this year's Noshfest on September 2nd and 3rd. The event will be held in the parking lot of Temple Kol Emeth at 1415 Old Canton Road in Marietta/East Cobb.

Noshfest enters its eighth year celebrating Jewish food and culture by showcasing delicacies and activities unique to Jewish heritage and bringing together members of Cobb County's diverse community in a fun two-day festival. Enjoy international foods from more than 40 vendors and browse 50 booths of interesting and unique crafts and goods. Learn about the Jewish culture through interactive exhibits and tours of the temple sanctuary.

There are also events for children, including a kid's zone complete with inflatables, games, petting zoo and face painting. Enjoy special entertainment with dancing and live music throughout both days, including Alex Guthrie and his band on Sunday at 3pm.

The event will feature its third annual Bagel Eating Contest where participants have five minutes to eat as many bagels as possible for a \$500 cash prize. There will be complimentary family portrait sessions with Courtney Goldman Photography.

Admission for the event is free. Patrons are asked to bring two canned goods per family. All food collected will be donated to MUST Ministries.

Hours of the festival are 11am-5pm on Sunday and 11am-4pm on Monday. Temple Kol Emeth is located at 1415 Old Canton Road in Marietta/East Cobb. For more information, visit noshfest.com or call 770-973-3533.

LOCAL FAMILY RAISES FUNDS AND AWARENESS FOR EPILEPSY

Team Jill 2017

Did you know?

- **1 in 26 people will DEVELOP EPILEPSY.**
- **Without warning, seizures can happen to ANY ONE at ANY AGE.**
- **When a person has TWO OR MORE unprovoked seizures, they have epilepsy.**
- **In the US, epilepsy is AS COMMON AS breast cancer.**
- **1 in 10 people will HAVE A SEIZURE.**
- **There are 110,000 Georgians, 3 million in the US and 65 million people worldwide living with epilepsy.**

The Epilepsy Foundation of Georgia (EFGA) will hold its 35th Annual Magnolia Run and Walk for Epilepsy on Saturday, August 18. The event, held annually in Atlanta at the Perimeter Mall, has raised both funds and awareness for epilepsy in the state of Georgia for 35 years! Last year's event brought more than 1,600 participants from across the state of Georgia who raised over \$170,000. This event provides crucial financial support for the Epilepsy Foundation of Georgia's programs and services, including epilepsy education, seizure first aid and recognition, an emergency medication assistance fund, youth and adult summer camp scholarships, and much-needed advocacy and awareness.

East Cobber Jane Fox has recruited friends and family to participate in the Magnolia Run for the last 9 years, and this will be their 8th year forming "Team Jill." Last year, with the help of so many friends and family, their team raised over \$11,000 and came in 3rd place for fundraising. Epilepsy

is a seizure disorder and a chronic illness for which there is currently no cure. "One may appear fine on the outside but is plagued by many issues. Those may include memory loss, anxiety/depression, sleeplessness and sleepiness, the loss of driving, chronic fatigue/headaches and more due to the side effects of medication or the effects of the seizure itself. Unfortunately, we have witnessed all of these in our daughter, Jill, over the past 11 years. It is our lifelong goal to raise funds for more research so that one day no more moments will be lost to seizures," shares Jane.

In hopes of raising awareness for epilepsy and money for Team Jill, Lizard Thicket (Jill's favorite store) has agreed to host an event on August 8th from 5-8pm at their Merchants Walk-East Cobb location and will donate 20% of all proceeds during that event. Jane Fox will be providing appetizers and drinks.

The Epilepsy Foundation of Georgia is a registered 501(c)(3) non-profit organization serving the entire state of Georgia; not only those living with epilepsy, but the entire community. The foundation's dedicated staff, board of directors, and volunteers strive to eliminate all obstacles presented by epilepsy in the lives of those affected, and hopes to one day see a cure!

By giving a donation or signing up for the run, you are not just helping Team Jill, but all people out there with epilepsy. Every donation makes a difference. For more information about Epilepsy Foundation of Georgia and/or their Magnolia Run, visit www.epilepsyga.org.

HEALTHIER & HAPPY AT ANY AGE

With age comes change, especially if you're a woman. Consider a woman in her fabulous 40s. Perhaps this is where you're in life presently, or just a few years ago. You feel invincible – after all, these are great years. But subtle changes in your health are occurring and have been for some time.

These health shift can inevitably lead to symptoms that, if left untreated, can leave you feeling uncomfortable in your own skin:

- **Hot Flashes:** Many women experience hot flashes perimenopause and nearly 80% have them during menopause.
- **Sleep Disturbances:** 50% of women develop sleep disorders associated with menopause.
- **Low Libido:** Declining due to high stress levels and hormonal changes.
- **Stress:** Especially high because of worries about family, health, career, and finances.
- **Depression:** More likely now than later in life.

There's a whole world of specialized care women need as they age, and that's where Nore Women's Health (pronounced Nor-ay) comes in. At this point in life, the focus of your overall health should shift to preventive care to optimize your health and make the most of the years to come. At Nore, we offer transformative therapies across four main areas of women's wellness:

Menopause & Hormones: With menopause management and hormone replacement therapies, including bioidentical pellet therapy, we treat a range of symptoms, leading up to and during your menopausal years: hot flashes, night sweats, insomnia, vaginal changes, headaches, skin changes and more.

Pelvic & Bladder Health: If you're suffering from involuntary leakage, drying or thinning vaginal tissue, weakening pelvic floor, or frequent urinary tract infections, treatment is available. Our dedicated clinicians can help you better understand these issues and employ therapies for your specific needs

Vaginal & Sexual Health: If you're experiencing vaginal dryness, painful intercourse or decreased sexual desire, we offer hormonal and non-hormonal therapies, to treat your symptoms. Our therapies include the latest non-invasive vaginal laser treatments (MonaLisa Touch® and ThermiVa®) and the O-Shot® which are virtually painless and require little to no recovery time. See our blog for more detail about these treatment options.

Lifestyle Health: A forward-thinking approach to a healthy and active lifestyle will keep you at your best and help tackle common issues like fatigue, weight gain and loss of concentration. Our therapies include wellness exams, weight management, as well as a focus on wellness, health promotion and disease prevention.

Learn more about the **Nore Women's Health** transformative pathway to healthcare and wellness, advanced treatments, and female focus. Call **678-802-8665** or visit norehealth.com today to schedule your appointment and start feeling like your old self again. We look forward to meeting you!

Dr. Heather Quail is a women's health nurse practitioner and has been working in all aspects of women's healthcare for over 17 years, caring for women of all ages across the health-illness continuum. Heather received her undergraduate degree in Nursing from the University of Central Oklahoma; her Masters in Nursing with Honors, with a specialty in Women's Health from Vanderbilt University; and completed her Doctor of Nursing Practice at Chatham University. She is NCC board certified in Women's Health and licensed by the Georgia Board of Nursing.

Julie Morin is a Women's Health Nurse Practitioner and has dedicated her career to women's health. She earned her associate nursing degree from Georgia Highlands College in Rome, Georgia. CIVITAN CLUB PRESENTS SERVANT'S HEART AWARD

Civitan International, the Georgia District Area 3 Civitan Clubs (Chattahoochee, East Cobb, Marietta, and North Cobb) awarded the first annual Servant's Heart Award on June 14 to Mary Mullany, the Community Site Supervisor at the Tommy Nobis Center for more than 25 years.

The mission of Civitan International is to support families and individuals affected by intellectual and developmental disabilities. Civitans strive to raise awareness for these families and individuals and to partner with them to ensure their loved one has the highest quality of life possible. Outside of their families, there are few who dedicate more of their lives to serving these individuals than the teachers, paraprofessionals, and vocational teachers who work with and alongside them day in and day out.

The Servant's Heart Award is a celebration of the unsung heroes in our community who support these families and individuals who are affected by intellectual and developmental disabilities. Nominations were submitted from throughout the area for many deserving individuals whose dedication, joy, compassion, and humility left club leaders in awe.

Mary Mullany was recognized for her above and beyond work at the Tommy Nobis Center, a Marietta-based nonprofit providing education, training and employment support for youth and adults with disabilities. Mary started as a job coach in 1992 and empowered many to find workplace success by helping them nurture and grow the needed skills to obtain and independently maintain employment. In 1998 Mary was tapped to lead the new, nationally recognized Kroger Training Program, supporting job placements for the disabled as well as the creation of a training site for even more individuals with disabilities.

Co-worker Meagan Davis nominated Mary for consistently "going above and beyond to make sure the Nobis Center mission employees and program participants had all of their needs met, whether that meant ensuring clients were clean, shaved and dressed professionally for interviews or that they had someone with them when they felt nervous about visiting the

Mary Mullany, recipient of the Servant's Heart Award

doctor's office." Mary was known to stay overnight with the clients during snow storms and took extra effort to personally aid an individual with visual impairments with their banking, bills and physician appointments. Mary worked hard to forge collaboration with other Cobb County organizations to offer additional experiences for individuals with disabilities. Mary retired in March 2018 and when asked what she would do with her time she quickly responded, "Volunteer at the Tommy Nobis Center."

Other top finalists among the nominees included Josipa (Joey) Burgess, the Gymnastics coach with the Chattooga School of Gymnastics and Sherry McKenzie, the Ackerman Academy Principal of the Devereux Advanced Behavioral Health Georgia. Both Civitans

International Executive Director Kendyl Massy and Ginny Herring, Governor of Georgia District Civitan were in attendance, making this first award program even more special.

For more information about Civitans International please contact Mary Karras, Governor-Elect at 678-689-4978 or MARYKARRAS@synovus.com. 📞
